

BEACH BASKET-Open-Air-Concept

The BEACH BASKET-Open-Air-Concept was developed during the first wave of the Covid19 pandemic and was successfully established in summer 2020. A clever hygiene concept approved by the Ministry of Health made the 65 open-air concerts possible. Around 55,000 spectators were able to enjoy great shows with the charm of a summer beach holiday. Also this year, the BEACH BASKET-Open-Air-Series invites you to various concerts - this time in over 10 locations with well over 150 concerts across Germany.

Please read the basic principles of the BEACH BASKET-Open-Air-Concept.

- Entry into the Brita-Arena is permitted with an identification document (identity card or passport) and one of the following documents:
 - negative rapid test for Covid19 not older than 24 hours
 - or
 - Certificate of complete vaccination against Covid19 (vaccination pass), at least 2 weeks after the date of the last vaccination
 - or
 - Certificate of recovery from a Covid19 infection within the last 6 months
- For security reasons, the concert organizer insists on registration via the Luca app. To do this, download the free Luca app in advance and install it on your mobile phone. Then create a profile with your contact details in the Luca app. When entering the BRITA Arena, please scan the QR code on site. With these measures, the Ministry of Health can carry out contact tracing in the event of a Covid19 infection.
- Only a complete beach chair (2 seats) can be booked at a time, even if you come alone.
 - The beach chairs are located on so-called "islands" that are assigned a specific color - the island and color are indicated on the ticket. Each "island" has a separate free parking lot, which is marked with the same color.
 - Each "island" has its own entrance, the entrance to the stadium is via turnstiles after the tickets have been scanned.
 - Parasols, food, drinks, folding chairs, blankets, bags and rucksacks larger than DIN A5 may not be brought into the stadium.
 - One-way streets make it possible to get to the appropriate beach chairs without contact with other spectators.
 - Each "island" is equipped with separate toilets. Toilets and beach chairs are disinfected regularly.
 - A distance rule of 1.5 meters and a mask requirement apply throughout the stadium. The masks can be removed at the seat.
 - Each beach chair is equipped with its own disinfectant dispenser and a cooler bag.
 - Food and drinks can be ordered and paid for in advance online via the link soa-gastro-wiesbaden.ticket.io. The online catering service will be active from May 2021. At the beginning of the concert, your order will be waiting for you in a cool box next to your beach chair. Important: When ordering, please state the exact number of your beach chair (noted on the

ticket). It is also possible to order drinks and food online during the concert. Make sure you can pay cashless from your mobile phone.

- At the end of the concert, leaving the stadium is regulated by the moderator using the “goodbye bingo” principle. You leave your seat when your beach chair number is announced. This is also shown on LED screens.

We ask you to strictly adhere to the rules and restrictions specified by the organizers. We are all interested in having a great time without putting our and your health at risk.

Thank you in advance and until July 14th, 2021 in the BRITA-Arena in Wiesbaden!
